

K3 Class

It's great to be back!

The children have settled in to their new class extremely well. It was a fun first week, seeing old friends and meeting new ones. We had a fantastic time with our first music and P.E lessons and now the children are all excited to continue learning in K3.

English Playgroup

Playgroup warmly welcomed our new students who have joined us in August or September. There are lots of interesting themes to explore as we leave the summer season and move into the autumn season!

We have been busy learning about Home Safety, informing both children and their parents or guardians about the procedure to be taken during an emergency and the appropriate emergency number to contact. We took part in fire drill exercises and created artworks on the topic of home safety to further highlight the importance of this topic. Please feel free to watch the fire safety drill on our Zebedee website.

K2 Class

K2 are back with more energy than before...

This is our first week and most of the children have returned or started school. We have had a fun-filled first week with learning all about us. Part of our learning was taking care of our bodies through physical activity like balancing our bodies in P.E.

As you can see we are all very happy to be back in the K2 class.

K1 Class

Welcome!

Our first week back in school, we welcomed back some new and old children. The settling in week went so smoothly with the children getting to know their new classmates and surroundings. They are now settled in and are ready and eager to start learning and having lots of fun.

Nursery Class

It's been a great start for 2018-2019 Nursery classes AM & PM. The children have settled in well into their school environment and classroom routine. They are so good at knowing what to do when they hear the transition songs. The children have been eager and curious to learn and explore. They are also beginning to form new friendships, which is wonderful to see. We appreciate all parents' efforts for helping their children settle in, which has made the start of the school year a lot more fun!!

Come and join our lovely English Playgroup

Good quality learning with Miss Rita

A great meeting place for toddlers,
parents, grandparents and helpers too!

Playgroup attendees have first priority
to join our nursery class when they turn
2 years old, no interview required.

English Smarties

So nice to meet you all!

Hello everybody! My name is Miss. Hanna and I am the new English Smarties teacher! The first week of September has already been an eventful week meeting and interacting with the children. We have specifically focused on the theme of "bugs and insects" which the children have had lots of fun making beautiful arts and crafts!

Teacher led activities place extra emphasis on developing proficiency in English, through participation in enjoyable and fun activities. Flexible enrolment so you can choose your days and times subject to availability.

Monday to Friday 9am-11am and 2pm-4pm.

Saturday 9am-11am, 11:15am -1:15pm and 2pm-4pm

Taught by a native English speaker.

September Special

Children can develop their English language skills at our English Smarties class.

If you enrol now and pay for a minimum of 8 classes in September 2018 you will receive 10% off the fees.

Hurry! Don't miss this opportunity.

2 hours of pure English - waiting for you.

Call 2650-3339 for details.
